

PET AMENITY GIFT PACK

# PETAGO INTERNATIONAL

HOTEL

## **We're PETS2GO International!**

The premier manufacturer of luxury pet amenity gift packs. We are a service disabled veteran, minority woman-owned company, headquartered in Miami, Florida, manufacturing in Rex, Georgia.

### **Why pets?**

The pet industry is a \$70B industry, one of the fastest growing, and recession resistant sectors in the market place today according to the American Pet Products Association.

### **Monetizing Your Pet Friendly Status & Creating Brand Loyalty with Pet Lovers**

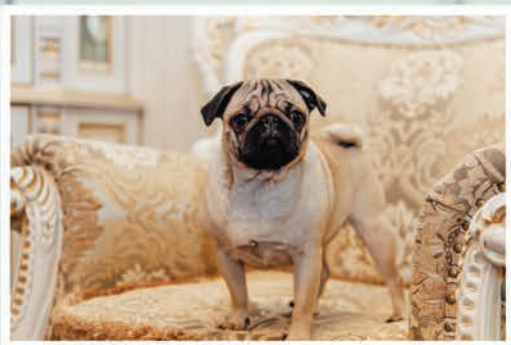

With the ever-increasing traveling pet population & the emerging Airbnb marketplace, pet travelers have more options than ever before when traveling with their pets.

Recognizing that pet travel is deeper than a fad, but indeed a way of life for the baby boomers and millennials, alike; offering pet friendly perks is now the expected norm from the pet traveling guest.

Integrating pet friendly initiatives extends beyond a transactional relationship and delves into the depths of the heart of your pet loving customer base.

### **Have you wondered?**

- How will your brand create an inviting experience for your traveling pet guests?
- What plan is in place to proactively protect your property from urine/fecal waste?
- Within your pet friendly initiatives, where will your brand create new streams of revenue?
- When will you capitalize on this significant market trend?
